# PART ONE

## 2021-22 SEASON REVIEW

### Chair Report

It is my great pleasure to provide the Chair's Report for the 2021-22 season.

The season just completed was the 50<sup>th</sup> for Suburbs New Lynn Cricket Club. Much was planned during the winter to celebrate this milestone but unfortunately Covid had other ideas and as the summer approached it began to look doubtful as to whether there would even be a cricket season. As October rolled around and cricket got underway throughout the country, Auckland remained in a Level 3 lockdown and the start of the season had to be delayed.

Auckland Cricket did its best to plan for multiple scenarios but as the weeks went by the restrictions remained in place. Some outdoor training was possible, but the Indoor Centre remained closed. Understandably registrations were low as members waited to see what would be possible.

With the introduction of vaccine mandates and the Covid Traffic Light System play was finally possible in December. Remarkably registrations quickly picked up and the desire to get out there and enjoy some cricket overcame the natural concern over health issues. Luckily once the season got underway it proceeded without any further disruption.

The late start to the season and ongoing health and safety requirements meant that much of what had been planned for the 50<sup>th</sup> celebrations had to be cancelled. But we were able to proceed with the book launch of the club history (We don't play for adulation – 50 years of cricket at Suburbs New Lynn), to host a great 'Chairman's vs President's Old Boys match at Ken Maunder and to stage a great Golf Day at Helensville. More on these celebrations in the season highlights section.

### Membership

With the Covid disruption membership numbers were always going to take a hit but the worse- case scenarios never came to fruition and by the end of the season our playing numbers once again made us one of the biggest clubs in New Zealand.

Our official playing membership on CricHQ is now 862 players spread across 81 teams. Add in over 200 non-playing members and we have retained the position of the third largest club in Auckland.

The Senior section of the club fielded 31 teams this season which confirms us as the largest senior club in New Zealand.

- 10 Men's Grade Cricket teams (no 2 day games were played this season)
- 9 Men's One Day teams
- 11 T20 Men's teams
- 1 Women's Premier Reserve side

The Junior section of the club fielded 54 junior teams

- Midgets – 43 registrations
- 10 Year 3 & 4 Action Cricket teams
- 3 Under 10 teams
- 6 Under 11 teams (incl 2 girls' teams)
- 8 Under 12 teams
- 13 Under 13 teams (incl 1 girls' team)
- 9 Under 15 teams
- 1 Under 16 teams (girls)
- 4 Under 17 teams
- 2 Under 23 team

### **Playing Success**

For some reason this season the championship cupboard was almost bare, with only one team bringing home a title. But this was compensated for by the fact that this team was the Premiers who won the Richard Jones Cup to take out the Minor Premier One Day Championship.

It was a strange season for our flagship team. The season before they had won the prestigious Hedley Howarth Two Day championship but had also come last in their section of the Jeff Crowe One Day Championship. Now with Two Day cricket cancelled due to Covid they could not defend their title and could only compete in the minor One Day division. It is a credit to the team that they did the job and took out this championship convincingly so that next season they will be in the top division for both Two Day and One Day cricket.

The various winners of individual honours are recorded elsewhere in this report. We extend our congratulations to all of them on having such a successful season.

### **Coaching and Player Development**

Suburbs has always placed great importance on coaching and player development. During the winter our Premier and Youth Academy coach Jonny Bassett-Graham accepted a full-time position with Auckland Cricket. We were delighted for Jonny as he follows his dream of a career in cricket coaching, but it left a big hole for the club. Luckily, after a quick recruitment process, Mohammad Wajihuddin (Wajih) was appointed to the role of Premier Squad Coach, and he did a good job under difficult circumstances over the summer.

He was ably supported by Trevor Payle and Sahil Mehta as our staff coaches. Trevor changed his focus to concentrate on Women's Cricket this season and did a fabulous job as that section of the club continues to grow and prosper. This meant a new coach was required for the Senior 3<sup>rd</sup>/4<sup>th</sup> grade squad and the club was pleased to appoint Hemant Kasanji. We also created a new position of Junior Cricket Development Manager and Ryan Hibberd did an exceptional job in this role. Many thanks as always to all our staff coaches and also to all the volunteer parent coaches who do such a great job with our junior teams.

With the Covid disruptions it was a difficult year for both the coaches and the players, and we were not able to do as much in this area as we would have liked. Following a review, the Executive and Junior Committees have agreed to make this area a priority going forward and to invest more into the area of coaching and player development for the coming season.

## **Governance and Administration**

A huge thank you to both the Executive Committee and the Junior Committee who together provided sound leadership and strategic direction to the club through a difficult 12 months. All these people are volunteers who give up their time out of a passion for Suburbs and we should be very grateful for the work they do.

Our Club Manager Kate Hillier-Cook also did an exceptional job in her second year in the role. You could not imagine a more testing set of circumstances than those created by the Covid pandemic and Kate coped brilliantly with many challenges and complications. At the beginning of the season we anticipated a big potential financial loss for the club, but amazingly by the year end we had produced one of the biggest surpluses in the club's history while still providing excellent services to our members.

This was my last season as Chairman. When I accepted the role four years ago, I indicated I would step down after our 50<sup>th</sup> anniversary season and I am now doing so. I am pleased to report that both governance and management of the club are in great shape and that over that four year period we have been able to build up some financial reserves for the first time in the club's history.

As I leave, I should also note that the Ken Maunder Park Community Trust is conducting a feasibility study over the winter months to inform the future direction of any building and facility development at Ken Maunder Park. The club is heavily involved in this study and it will be interesting to see what options emerge.

Enjoy the winter and best wishes to all club members for what I am sure will be another great season in 2022-23.

## **Andrew Eade, Chair**

# Season Highlights

## 50<sup>th</sup> Celebrations

Wow what a year in which to hold our 50<sup>th</sup> Celebrations! Unfortunately, Covid did have an impact and a number of events were adjusted, cancelled or delayed as the club worked around the Covid restrictions. However as always, Suburbs members grasped the opportunities as they arose!

## 50<sup>th</sup> Anniversary Cricket Games

Key 50<sup>th</sup> Celebration events, included some spectacular cricketing prowess on the field with two significant games occurring on Sunday 6<sup>th</sup> March where the Chairmans XI vs Presidents XI took place on the number 1. With the Junior Coaches vs Junior Coaches on the number 2. Match Reports from both games are shown below:

### Match Reports

It was a long time in the planning, and it very nearly didn't happen as Covid wreaked havoc and players withdrew right, left and centre. But we got there and on Sunday 6 March some of Suburbs finest took the field to take part in the inaugural Chairman's X1 (Syd's Sloggers) vs Presidents X1 (Youngy's Yahoos) match to celebrate 50 years of Burbs cricket at the Ken. The teams were stacked with talent – two test players, three Auckland Over 60 reps, two Auckland over 50 players, five current premier players and plenty of other gummers. As I walked out to toss I think I heard Ajaz saying that he wouldn't be able to take 10 wickets today as the Chairman's batting line up looked too strong.....

Despite Chris Lee predicting that the President's X1 would be too strong (so little faith) in a huge upset the Sydney's Sloggers came out on top. Batting first they posted an imposing 149 with some of the batting highlights being

- Tiny (Brett Mathers) stroking his way to an elegant 25 and looking like he could still play for NZ Under 19s if he forged his birth certificate
- Almo (Richard Kane) calling for an 'angel life' after being stumped first ball and scoring an immaculate 22 in his second innings
- Doggie (Chris Lee) bringing home the innings with a hard hit 27
- Luke Devereaux hitting a huge six – the only one of the day I think
- Bongo (Scotty Warren) looking good for his 17 but then going out to Simmo (how could you)
- Syd reinforcing his reputation as the greatest slip driver of all time by piercing a seven man cordon first ball

In the field the Presidents looked sharp with the main highlights being

- Youngy and Cyril proving the art of leg spin didn't die with Warnie (too soon?) by both landing googlies
- Ajaz turning the ball so far no-one could even snick it
- Simmo and Woodsy both proving dribbly medium pacers are hard to hit and going for 3 and 4.5 an over respectively
- JV and Reags doing the opposite with JV going for 33 off 3 (it's true JV – check the scorebook) and Reags bowling his usual collection of head high wides (how hard is it to land it Tim)
- Cyril providing the fielding highlight by running in a circle then falling over when the ball was nowhere near him!

150 was always going to be a challenging total and when the Devereaux family had an on field reunion it got harder. There were still some nice batting moments with

- Wheels (Greg Arnold) stroking the straight drive of the day
- Reags whacking it all over the place for a great 29 (glad he didn't get to face that last over as 6 x 6 from Almo's bowling could have been on)
- JV making up for his bowling with an elegant 20 before being spectacularly run out by Tiny in his 2<sup>nd</sup> innings
- Woodsy giving new definition to using the crease with an endless soft shoe shuffle as he got his 19 – stand still boy
- Lyally going out to a dodgy LBW from Doggie – what would they say in Harefield....

In the field the Chairman's X1 was on fire with

- Sam Devereaux showing what real opening bowling looks like with a fiery opening spell
- Bill Devereaux then showing that guile can be just as effective as pace by getting Simmo and Rusty in consecutive balls to be on a hattrick
- Jarrod from Cricket Express making his day and ruining Youngy's by bowling him for a duck
- Luke Devereaux taking a great catch in the deep to get rid of Ajaz and give Syd his first international wicket
- Bongo managing two stumpings in one over off Almo
- Doggie taking a great diving catch at point – 3.2 on Richter scale

So a comprehensive victory for the Chairman's X1 – see you again next year Reece. Actually, probably the best performance of the day came from the Cook family (Andrew, Simon and Kate) and the other workers (Richard Murray, Natalie Nelson and Cameron Spick) on the BBQ, Bar and scorebook so huge thanks to them and all other workers for making it such a great day.

On the number 2, the Junior Coaches were also playing, which was a great way to encourage the youngsters along to cheer them on, that and with the opportunity for a BBQ and Tegel Sausage sizzle and they couldn't be stopped!

## Match Report

Part of our 50th Anniversary celebrations included a volunteer coaches game held on the number 2 whilst the old boys game took place on the number 1. This was incredibly well received by those who participated in it, in fact it was enjoyed so much that it's been requested as an annual event henceforth. The teams were made up of junior club volunteer parents (coaches, umpires, managers) plus some of our talented teenagers filling in the gaps where Covid had side-lined a few. The skill level was varied which added to the enjoyment giving the game an exhibition quality rather than anyone taking things too seriously. I doubt the scouts watching would have been overly excited, however there were a few standouts good and bad. Most notably the wicket keeping and captaining from Ashwin Ranchhod and the man of the match performance by Brij Shah whose spin bowling action looked more like that of an orchestral conductor before he closed the game peppering the boundary with some mighty hits leading his team to victory. At the other end of the performance spectrum were Ryan Hibberds command of the leg side wide, Paul Rows 'spin bowling' but possibly worst was the sight of Suburbs Premier Coach Waiji wicket keeping halfway to the boundary with a baseball mitt - still not sure why when we have access to keeping equipment but who was I to question our prem coach. Everyone was a great sport though and we appreciated the vocal crowd turnout. Special thanks to our game volunteers Adele Winstone in the forever underappreciated scoring role and Vipin Bajaj umpiring in official kit plus the groundskeepers for risking us hackers on the grass wicket. Looking forward to next year already.

### Junior Prizegiving/Fun Day Event

A Family Fun Day was planned for our Junior Club, which initially had to be cancelled, it was therefore adapted and created a whole new Junior Prizegiving format. Held outdoors, with the sun shining and a number of special activities which included the opportunity to check your speed with our newly purchased bowling radar gun, our Junior Club sponsors Glovers creating a Frisbee golf challenge plus a highly successful sausage sizzle run by our Australian Youth Tour group fundraising.

As our Junior Club has increased in numbers so much in recent years, this format, created out of necessity, was so successful that we will now run our Junior Prize Giving's in future years – weather permitting! Thanks to Adi Ashok and Sam Cook for presenting the awards.

### Suburbs Masters

A great turnout for the Suburbs Masters that was held at Helensville Golf Course. Playing Ambrose this competition offered an opportunity for all to shine! Congratulations to Doug Cowie's Auckland Cricket team – ably assisted by Jarrod Wrigley and son (Eli) from Cricket Express who were the winners on the day.

Special congratulations to Ryan Hibberd for winning the Kookaburra Closest to the Pin and to Malcolm Greenstreet for winning the longest drive with a cricket bat on the Cricket Express hole!

Commiserations were offered to the Cook Family team, who were none the less happy with their endeavours and the booby prize pack!

To the delight of all, halfway around the course light refreshments were served at the Tegel Sausage Sizzle - ably manned by Kevin Barry and Kate Hillier-Cook. Whilst Nicole Bassett and Ginny Barry enjoyed tearing up the fairways with the bar golf cart!

### **SNLCC Book and Merchandise**

A historian to the bone, Andrew Eade has written a fascinating and enjoyable book detailing the history and some of the amazing stories of the club over the last 50 years, this was a huge endeavour and very much appreciated by the club – the cover of which is shown on the front cover of this Annual Report.

And to round off the 50<sup>th</sup> year, working with Cricket Express (thanks so much to Jarrod for all his help) a range of 50<sup>th</sup> Merchandise was produced, everything from golf towels to T shirts and drink bottles.

We should highlight that there are still copies of the book and merchandise for sale if anyone is interested.

### **50<sup>th</sup> Celebration Dinner Dance**

This one event that was just too difficult to produce during the Covid Lockdown period, was the high-profile dinner dance planned to take place in the Indoor Centre. This event has been delayed and is now scheduled for Saturday the 29<sup>th</sup> of October, so please all add it to your diary. A great excuse to extend the celebrations just a little bit longer!

SNLCC would like to offer it's thanks to all our wonderful partners who supported us as 50<sup>th</sup> Anniversary Sponsors

### Gold Partners

### Bronze Partners

## Premier Team takes out the Richard Jones One Day Championship

One of the unexpected consequences of Covid-19 was that our Premier team found themselves in a strange situation for the 2021-22 season. The summer before they had won the prestigious Hedley Howarth Two Day Championship, but at the same time came 8th in their section of the Jeff Crowe One Day Championship. When Auckland Cricket had to redesign the competition structure for a shorter season in 2021-22, they chose to discard the Two Day competition altogether for one season. This meant that our Premier team had to content itself with a season where they only played the weaker teams in the minor One Day Championship. While this was disappointing, they rose to the challenge and totally dominated the competition up to Christmas. Three quick losses in the New Year put the team under some pressure, but they rallied to earn a place in the final against Grafton who they had already beaten twice during the season. In a strong performance they once again dominated Grafton and on a turning wicket Dane Watson proved the match winner taking 7 for 23 to ensure Suburbs will compete in the top division of both the Two Day and One Day competitions next summer.

## Ajaz Patel makes cricket history

One of the most special things about a cricket club is watching a young talent develop through the junior ranks and then progress through to higher honours. Suburbs has always taken great pride in developing such players and over the last two decades we have been delighted to have played our part in the journey of so many Black Caps.

Ajaz Patel came to the club as a young teenager from Avondale College and impressed as a left arm medium pace bowler working his way up to our Premier team and representing Auckland at an Under 19 level. Then in a pivotal moment he chose to change to left arm spin bowling and over the next 10 years honed his new craft. Unfortunately to get his opportunity at First Class cricket he had to leave Auckland and go to Central Districts so he could no longer

play for Suburbs, but he remained a frequent visitor and this season even played in our Chairmans vs Presidents match in March.

But it was three months earlier in December 2021 when Ajaz made cricket history taking 10 wickets in an innings in the second Test match against India at Mumbai. He became only the third player in over 150 years of test match history to achieve this feat and it couldn't have happened to a nicer guy. Ajaz – your club salutes you.

### **Sound financial management allows club to grow**

It is probably not the usual sort of thing to talk about in season highlights, but the club's financial performance through a really challenging season is definitely worth noting. In October things looked very grim with the whole season in doubt, registrations low, gaming grant income frozen and Auckland Cricket reviewing its foundation Club is the Hub grant. The Executive Committee ran several budget forecasts and they were all grim.

As it turned out though the season got underway, registrations recovered and through a mixture of strong cost control and innovative fundraising Suburbs was able to turn the tables and have a strong financial year and return a healthy surplus despite the problems caused by Covid.

The support offered by the government, combined with the gaming industry bouncing back quicker than expected played a significant role in this result. But so did the hard work of our Club Manager Kate, Club Treasurer Chris Woods and the Executive Committee.

This has been a trend over the last four years and the club is now in a position where we have an appropriate level of financial reserves for the first time in our history.

## **SNLCC Premier Reserve Women playing on the number 1**

As the quality of our women's cricket goes from strength to strength, so does its prominence within the cricketing calendar. Early this season, SNLCC requested that Auckland Cricket prioritised our Premier Reserve Women's games ensuring that at least two games were played on the Number 1 wicket at Ken Maunders Park during the 2021/22 season.

Plenty of supporters were delighted to see the team take to the pitch in a winning fashion. Their 12<sup>th</sup> February game played against the Mangere Pukapuka Cricket Team resulted in a win, with SNLCC scoring 164/7 off 35 overs against the oppositions 96/9 off 35 overs. Particular success went to Laila Jeeru for 48 runs and Anika Tauwhare for her 52\*

## **PART THREE**

### **SENIOR STATISTICS & REPORTS**

#### **Premier Team Report**

Like with most things recently Covid had a big impact on the 2021/22 season. We saw a delay to the start of the season and the usual preseason time we usually had vanished. This made for a unique situation in that we only had 2 weeks together to get ourselves fully prepared to hit the ground running, with a very clear goal of wanting to win the One-day competition and get promoted back up to Top 8.

With only a handful of games before the Xmas break and with the added benefit of having our Aces players around we started the season strongly and went into the break unbeaten. A notable performance was new recruit Nathan Fletcher blasting 82 in his first bat for the club.

There was definitely some Xmas/New Years hangover after the break where we had a bad run dropping a few games in a row. Through that we were still showing glimpses of what was there, none more so than Tejas Patel hitting 123 against Kumeu to nearly win the game for us on his own. This was particularly special as it was Tejas' first primer hundred and fortunately for us not the only one he would go on to score in the season.

After a few hard truths we came out with a renewed mindset to get the season back on track. Enter Steve Martin who decided to go on this absolute blitz of scoring runs highlighted by an unbelievable 158 against Ellerslie. This was a joy to watch as he sent it to all parts of the ground. The bowling group was also doing a fantastic job with the wickets being shared around the group. Special mention to Luke Devereaux who bowled some crucial and match turning spells throughout the competition. Given the ball and always asked to bowl the hard overs he stepped up and delivered every time.

With things back on track we started putting up some strong numbers with Tejas hitting his second hundred, 110\* against Papatoetoe and George Hanham 111 against Waitakere. So we had booked our spot in the final against Grafton who throughout the season we had beaten twice in the round robins, but we would have to win in their backyard which is never an easy feat. Add to that the unusual amount of rain that fell in the week building up meant we would also have to win on a pitch not conducive to high scoring games. We batted first and managed to put up a total of 177. This was largely thanks to Sean Solia anchoring the innings then "Fletch" chiming in at the end to give us what we thought was a reasonable total.

We couldn't have started any better with the ball with Carl Brungar taking a wicket 3rd ball off the innings then unfortunately having a chance go down off the 4th. (Oh, what could have been Carl). Grafton then started to build some partnerships and the game was evenly poised at 52-2. As they say champions always step up in the big moments and none more so than Dane Watson. In the space of 20 balls he completely turned the game, finishing with 7-23 and delivering us that finals win.

As always there is so much support given to the team throughout the year so I would like to say thank you to all the volunteers and supporters who always give so much of their time to help the team. To VJ and Chalky every year you produce one of the best pitches in Auckland and this time round was no different, thank you for all the hard work you put in especially around giving us practice wickets during the week. Lastly a big thank you to Wajih, coming into a couple for your first year as coach is never an easy task but thank you for all your efforts and dedication running the group.

Let's do it all again next year.

Michael Barry  
Premier Captain

**Premier Team, winners of the Richard Jones One Day Championship**

## Batting

| Player          | Inn | NO | HS   | Runs | Ave   | Cat | St | 100's |

## Premier Reserve Women Team Report

The 2021/22 season had a slow start for our team, but quickly took off. We started the season with a couple of games in the T20 competition. Our first game was played against North Shore, in which we lost by one run. Despite good efforts in the field including good bowling figures from Kim Fulton, we found ourselves short by 1 run. The following week we came back better and had a successful run chase against Howick Pakuranga. We finished the T20 round 5<sup>th</sup> in our pool out of 6 teams.

The second half of the season meant the start of the 35 over round, and despite a few losses, this half of the season remained a standout for the team. In early February, we played on the number 1 pitch at home, becoming the first ever women's side to do so. In this game, we also happened to secure a significant win against Mangere Pukapuka which included 48 from Laila Jeeru and 52\* from Anika Tauwhare.

The next couple of games proved to be a challenge for our team. We struggled particularly in the field against Takapuna, conceding 296. Although we made a good effort chasing, we were still 72 runs short of the win. This run chase did include 55 from Laila Jeeru and 99\* from Anika Tauwhare and remained a highlight for the team in terms of our batting efforts. Another challenge was playing Auckland University who sat at the top of the grade. Despite an all-round effort with the ball in hand, we only managed to come painfully close to a win against the top side – falling short by 6 runs.

Our challenging run continued with another game on the number one, following a couple weeks of tough losses. However, the mental toughness and resilience of the team leading up to our game enabled us to push through. Playing only our second game on the number one against North Shore, we had a very disappointing start with the bat. However, after a serious team discussion in the changing rooms along with 3-13 from Divyanshi Chauhan, 5-12 from Anika Tauwhare and a determined all-round effort in the field, we managed to defend 95. This game was easily the highlight of the season but was also proof of the team's mental toughness and determination.

We ended the season on a high with a win against Papatoetoe and finished 4<sup>th</sup> equal (5<sup>th</sup> on NRR) out of the 11 teams in the 35 over competition. The growth of each team member as individuals and as a collective has been a standout and the biggest highlight. Though this season was a success and a huge step in the right direction, we are eager to continually improve and believe this is just the beginning.

Overall, this season was indicative of the overall growth and development of Suburbs women's cricket. I would like to thank our coach Trevor Payle for his tireless efforts, not only with our training, but for growing us as individuals and a team and driving the vision of the side we are now becoming. Also, a special thanks to team manager Wasi as well as Brad, Mark and my dad Adrian for always being happy to assist us with training, umpiring and scoring.

Thank you also to everyone who has watched and supported us this season.

Looking forward to next season.

Faith Lynch, Premier Reserve Women Captain

Using the Premier Changing Rooms for the first time as the Prem Reserve Women played on the number 1 at Ken Maunder Park

## Premier Reserves Team Report

The 2021/22 season was one that was dominated by Covid above most other things. With another limited pre-season and red-ball cricket being taken off the calendar, it posed a real challenge to the group. But with a new coach came new optimism and the boys were excited to get stuck into a season of white-ball cricket.

With the latest lockdown hitting at just the wrong time, we found ourselves with very little time to prepare for the upcoming season. Especially with a couple of tricky fixtures before the Christmas break, we found ourselves in the position of needing to hit the ground running. Although the season didn't start out how we would have liked, we did manage to get a crucial win against Papatoetoe to kick-start our season.

After the Christmas break we found ourselves with a jam-packed fixture list as the T20 comp started up. With Covid forcing a few players out it saw some opportunities for a few younger faces to come through and put in some good performances as we topped our T20 group undefeated. As a result, we faced the same daunting tasks as the past few years: heading over to Devonport Domain to battle it out in the semis. Unfortunately, the weather played the game into Shore's favour but once again was a good learning experience for the boys.

The extra T20 fixtures did take its toll on the boys with a few disappointing results in the one day comp. With it being a tough fight at the bottom of the ladder the boys knew we would have pick up some crucial wins in order to stay up. We managed to pick up a massive 1 wicket away at Parnell and a win at home to East Coast Bays which saw us get a bit of distance away from Papatoetoe who sat at the bottom of the table going into the last half of the one-day season.

As the Covid absentee's list grew, the challenge of putting performance on the field became a big ask. With a few tough weeks in the middle, we found ourselves in the unfortunate position of needing two wins in our last two games against Papatoetoe and North Shore to keep us clear of any trouble. At Pap the boys found themselves in some deep trouble at 77/6 chasing 260, but two big knocks from Jeremy Majoe (74\*) and Anas Patel (76\*) saw the boys home. The following week saw the boys saw two experienced boys put their hands up. Shikhar Verma (62) and Sean Playle (68) lead the charge to 191, which proved to be too much for North Shore on the day.

On reflection, the boys put in a great shift in what was another challenging season. With the young core playing more and more cricket together, we were able to see more consistent performances and some really good development which bodes well for the future.

To finish off there's a few people who we'd like to thank. To Kate for all the energy she put into the season, to Vijay for always getting some quality wickets prepared for us each week, and for Chalky for everything you do for the club. I know without any of you guys the season would not have been possible.

With all the positives this season, we do have to send our farewells to one of the Mushki's. Rajdeep has been a regular player in our side for the last five years, putting in many match winning performances every season. As Jimmy moves onto the next chapter in life we wish him all the best and hope to see him flying the ice cream again.

As we sign out on the 2021/22 season, we can only hope that we get back to normality next season. Ressie's Skips, over and out.

**Cameron Spick & Logan McDougall, Premier Reserves Captains'**

## Full Club Leader Boards 2021-22

While the club still tries to gather full team statistics from all grades each season, it is no longer possible to feature all these team statistics in the annual report as we now have over 70 teams and it is increasingly difficult to get statistics from most teams.

Instead, each year in the Annual Report we are featuring the Leader Boards from all grades as compiled by CricHQ. This approach allows leading performers from Premier, Senior and Junior Cricket all to be displayed together which makes for some interesting reading.

These figures will only be as accurate and complete as the scorecards entered into CricHQ by each team over the season so we hope this encourages teams to enter their full scoreboard. Below we feature all batters who scored 150 or more runs and all bowlers who took 10 or more wickets across the season.

## Batting Leader Board Over 150 runs in 2021-22 season

### CLUB HISTORY & STATISTICS

#### Club History

Suburbs New Lynn Cricket Club is still relatively young having just finished our 50th season. We were formed in 1972 as a result of the amalgamation of the Suburbs and the Blockhouse Bay - New Lynn Clubs, both old clubs with proud traditions.

In the early years Suburbs New Lynn was based at the Rosebank Road (now Eastdale Reserve) ground. We moved to Ken Maunder Park in the mid-1970's and together with the Western Districts Hockey Club built the pavilion which has been our headquarters ever since. The pavilion was built through club labour, a shining testimony to the commitment of the early members.

For 30 years the cricket and hockey clubs shared Ken Maunder Park with the Lynn-Avon Football Club which had its own separate clubrooms.

In the 1990s Western District Hockey moved its base away from Ken Maunder as all club hockey began to be played on artificial turf. Then in 2010 in a major joint venture between cricket, football and the council the football clubrooms were demolished and replaced with a magnificent indoor training centre to be used by both clubs and the community.

At the same time the cricket clubrooms became home to both clubs and an independent Ken Maunder Park Trust was created to manage both the indoor training centre and the clubrooms.

### **Playing Success**

Through the 1970's and 1980's Suburbs New Lynn fielded strong sides producing many Auckland representatives from whom Hedley Howarth, Geoff Howarth, John Reid, Peter Webb and Stuart Gillespie went on to play for New Zealand.

The club's first 'golden age' took place in the 1980s. We won the Premier Two Day Championship in 1980-81 and then again in 1984-85. In that amazing season Suburbs won the Two Day and One Day Championships as well as the Grosvenor Cup for best fielding team. Suburbs also finished runners-up in the two day championship in 1987-88 and 1990-91.

The second 'golden age' arrived in the late 2000's. In the 2008-09 season for the first time in 25 years the club won the Hedley Howarth Trophy for the Premier Two-Day Championship. This was the beginning of an amazing run for the club's Premier side and was followed up with T20 titles in 2009-10, 2010-11, 2011-12, 2014-15, 2016-17. Further Two-Day Championships were added in 2011-12, 2013-14 and 2020-2021. The Jeff Crowe Cup for the Premier One-Day title was also won in the 2013-14, 2015-16 and 2019-20.

SNLCC was also awarded the Club Championship for the leading Principal Club in Auckland in the 2011-12 season. This period also saw a number of New Zealand representatives emerge, including Martin Guptill, Reece Young, Daryl Tuffey, Michael Bates, Jimmy Neesham, Jeet Raval, Ajaz Patel and most recently Kyle Jamieson.

### **50<sup>th</sup> Anniversary Book**

This season the club released a special book to celebrate its 50<sup>th</sup> anniversary. **'We don't play for adulation – 50 years of cricket at Suburbs New Lynn'** is packed with photos and captures many of the best stories, great characters and playing highlights of our club to this time. Copies are available for purchase from the Club Manager.

### **Statistical History**

In the early 1980's work was started on a Club Statistical History. By going back through the Annual Reports a profile on every player to represent Suburbs New Lynn was formed. Each year this file is updated from CRICHQ and the latest Annual Report (we are dependent on the quality of statistics lodged on CricHQ by team captains). Record partnerships and season aggregates are also recorded. Most cricketers are statistically minded and the "Hall of Legends" have provided a lot of interest.

Over the last 24 months we have reviewed the Annual Reports over the last 20 years and discovered that a number of players have actually reached these landmarks but they had been overlooked in this Career Records section. This led to an additional 30 players being added to the batting and 75 players to the bowling. We have also lowered the career bowling qualification level to 100 wickets as history has shown this to be a fairer comparison to 2000 runs.

This season we have also lowered the threshold for bowlers in both the Season Aggregate (from 50 to 40 wickets) and Best Bowling Performance (from nine wickets to seven wickets in an innings). This has introduced over 50 new names and performances into the Hall of Legends and means that the number of bowlers featured is now more in line with the number of batters. Take a look and see if you are there.

There were also some significant milestones passed in 2021-22 including

- Michael Barry becoming only the third player to reach 10,000 runs for the club
- Maninder Singh from One Day 2 Desi-Hunters producing the 4<sup>th</sup> best bowling figures of all time when he took for 9 for 16

## CAREER RECORDS

In the records below current players are shown in **red**.

### BATTING Over 2000 runs

| NAME                    | INNS       | N.O.      | H.S.        | AGG.          | AVE          | CENT      | CATCHES    |

## PART FIVE

# FINANCIAL STATEMENTS

### Treasurer's Report 2021-2022

#### Introduction

The club's overall financial position continues to build. Despite again being impacted by Covid-19, the 2021-2022 season proved very successful financially for the Club, returning a \$60k profit. This has allowed the club over the past seasons, to both provide financial support to KMPCT through direct loans for infrastructure development, and to allow for investment to increase the overall revenue streams of the club for near future.

Covid resulted in a reduction in playing days and a high number of refunds, especially partial refunds and there was a reduction in funding from the ACA. Continuing the trend to operate at a higher level of professionalism and accountability has seen the Club manager salary increase, reflecting the growth in the role and responsibilities.

The activities relating to the 50<sup>th</sup> Anniversary proved successful both from a club promotion aspect and financially although these were impacted significantly by Covid which restricted the planned activities from reaching their true potential.

New accounts coding has been added to provide great understanding and transparency of the Club's activities, and new codes were set up specifically for the tracking of the 50<sup>th</sup> Anniversary actions.

Holiday Programmes & Competitions (such as indoor cricket in the winter) have added a new revenue source to the club.

#### Revenue

|                  |                  |
|------------------|------------------|
| <b>2021-2022</b> | <b>\$287,733</b> |
| <b>2020-2021</b> | <b>\$288,901</b> |
| <b>Diff</b>      | <b>-\$ 1,168</b> |

Revenue was very similar to the previous season. While the traditional sources of revenue were down on the previous year, ACA Grants, Community Grants and Fees were down on the previous year, these were offset by the revenue from the 50<sup>th</sup> Anniversary, Government Subsidies, The Holiday Programmes and the management fee charged to KMPCT. Overall, the reliance on the traditional sources has dropped from 80% of revenue 2020-2021 to 72% in 2021-2022.

The club received **\$9k worth of Government Subsidies** due to Covid-19 support which was applied primarily to the salary of the club manager. This was an increase on the \$4k received in the 2020-2021 season.

#### **Membership Fees – down 12k**

Membership fees (\$77,315) significantly down on the previous year (\$85,646) and nearly 20k down on the peak membership fees collected in the pre-Covid seasons.

#### **Community Grants – down 3.3k**

These were similar to last season, (\$82,283 last season and \$85,646 2020-2021). In particular the Club would like to thank the support of:

- NZCT
- Aktive
- The Trusts
- Grassroots
- Four Winds Foundation
- Gateway Investments

### ACA Grants – down \$3.8k

The ACA Grants (\$46,574) were again impacted by Covid and were a reduction on the previous season of \$50,360.

## Other Revenue

**Bar taking** was down \$6k due significantly to Covid impacts, and some bar activities being captured under the 50<sup>th</sup> Celebration activities. There was a corresponding reduction in costs to offset the reduction in revenue from the bar activities.

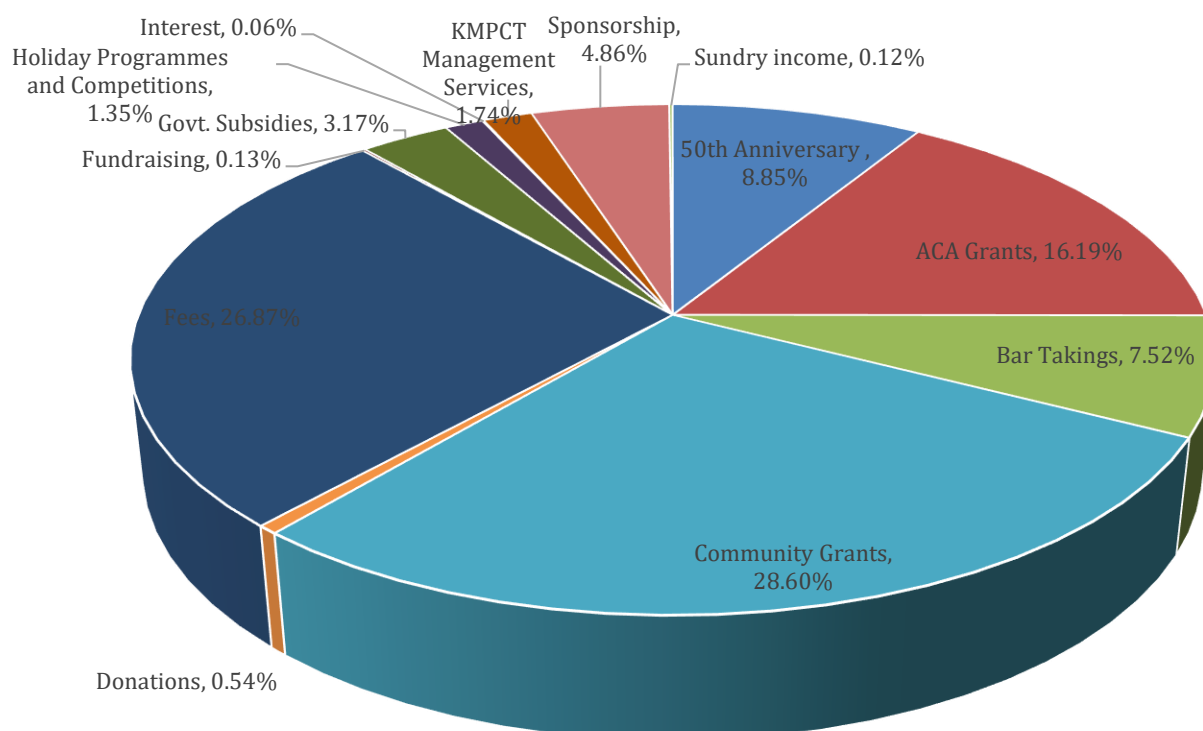

**Sponsorship** was very similar to the preceding season and brought in \$14k of revenue. The Club would like to acknowledge these sponsors:

- Cricket Express
- Glover Real Estate
- Little India

**50<sup>th</sup> Anniversary.** The combined 50<sup>th</sup> Anniversary activities brought in over \$25k and returned a profit of 7k for the club. Covid reduced the scope and financial returns of these activities but highlighted how alternative fundraising revenue can be realised for the club. Fundraising, outside of the 50<sup>th</sup> Anniversary was negligible and also suffered as a result of Covid.

**KMPCT Management Fee** is a new revenue line as SNLCC employed staff have been supporting KMPCT activities and the club invoices the Trust for this service. This has brought in an additional \$5k revenue but will be offset in the future by increases in salaries to cover this extra time

### Revenue Sources 2021-2022

## **Gross Profit**

While Revenue was very similar to the previous season, the reduction in the Cost of Sales saw a \$4k increase in Gross Profit (\$272,756) on the previous season (\$268,703).

## **Operating Expenses**

Total operating Expenses were down 18k on the previous season. Despite an increase in the Club Manager salary (\$11k), other key expense lines were reduced. Cricket Balls and facility hire in particular were significantly down on the previous season. Covid-19 and the reduction in activities and playing time were evident in the reduction in overall operating costs.

### **Bar Cost of Sales - \$14,977 (down 5k)**

The cost of sales related to the Bar activities was down \$5k on the previous year and reflected the corresponding reduction in Bar Takings. Paid Bar staff were employed however the reduced activities as a result of Covid limited this as a significant cost for the bar.

### **ACA Fees – Down \$5k**

The reduction in playing number and playing time was reflected in the reduction in ACA Fees

### **Clothing – Down \$8k**

The investment in clothing over the past seasons, coupled with reduced playing demands, saw a significant drop in clothing requirements

### **Coaching – no change**

While the split between Junior and senior coaching was a big variance on the previous season, the overall costing was almost identical to the previous season.

### **Communications – Up \$1.1k**

Increased use of social media and electronic communications has seen increased in costs in this area, as have printed material to keep the club members, and related parties, informed of what is happening with the club and cricket in general

### **Cricket Balls – Down \$21k**

The large stock built up over previous seasons, and the curtailed playing season significantly reduced the need to purchase new balls. While spending \$35k on balls in 2020-2021, this was reduced to only \$14k in 2021-2022

### **Facility Hire (Clubrooms and Indoor Centre) – Down \$14k**

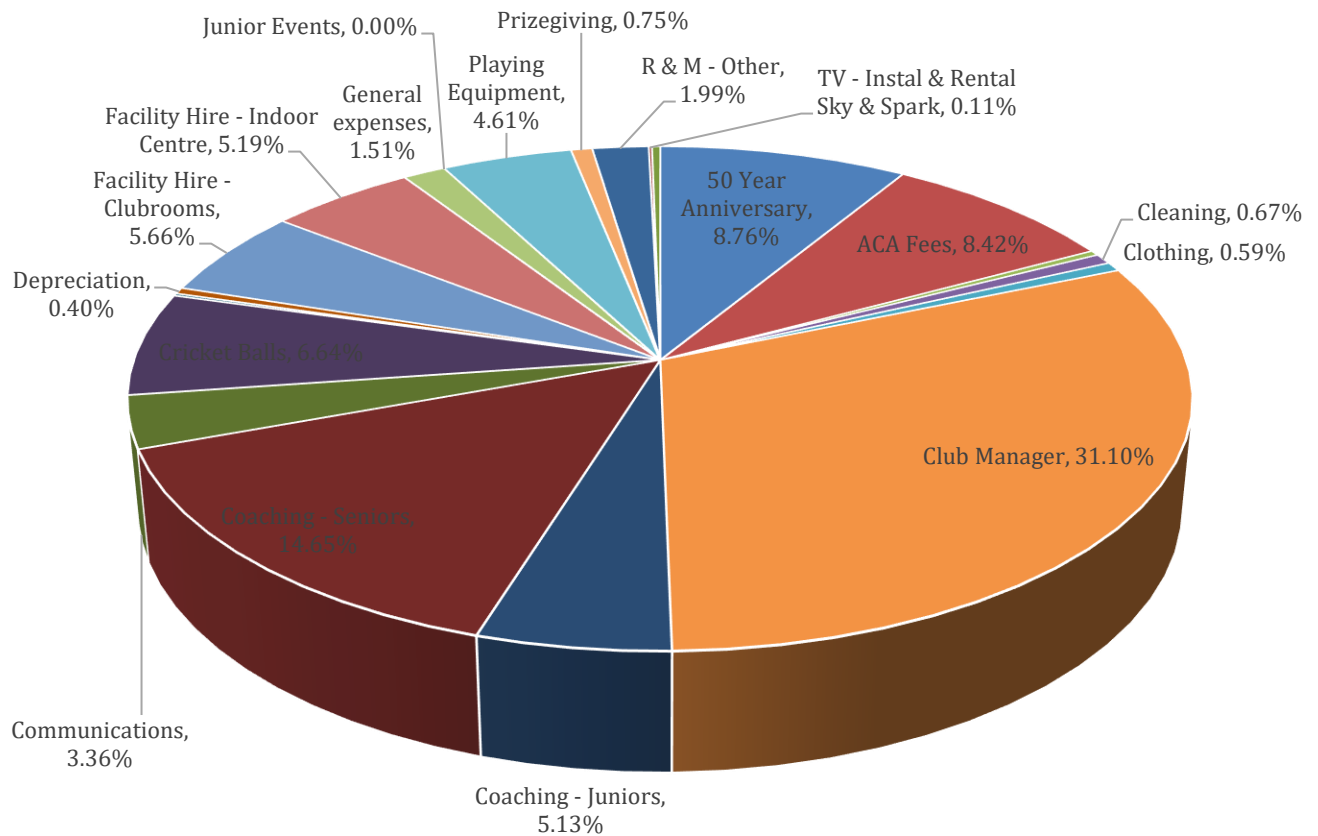

This reduction reflects the reduced demands due to the Covid restrictions in place at the early part of the season

### **Club Manager – Up \$11k**

Reflecting the increase in the role and overall responsibilities saw the Club Manager Salary costs increase to \$66k

### **Repairs and Maintenance – Up \$4k**

This proved to be significant last season mainly due to site screen and cover repairs.

## Closing Remarks

The club continues to apply increased professionalism and transparency to their financial activities. As a collective, the committee is controlling expenses while seeking to increase revenue. The club could still benefit from increasing revenue from outside of the traditional sources however the club continues to build a strong financial position exemplified by a very strong profit abet in a very unusual season. Such profits are not budgeted to continue but do continue a trend of the club growing its financial reserves.

The Club is in the position to invest funds to increase the overall revenue, and reduce the dependency on the traditional revenue sources, and retains a health operating account.

**Chris Wood**

# Notes to the Financial Statements

---

## Suburbs New Lynn Cricket Club Inc For the year ended 30 April 2022

### 1. Statement of Accounting Policies

The financial statements presented here are for the entity Suburbs New Lynn Cricket Club Inc, a registered company under the Companies Act 1993.

Suburbs New Lynn Cricket Club Inc qualifies as an exempt company under the Financial Reporting Act 1993. These financial statements have been prepared in accordance with the Financial Reporting Act 1993 and the Financial Reporting Order 1994.

The accounting principles recognised as appropriate for the measurement and reporting of earnings and financial position on an historical cost basis have been used, with the exception of certain items for which specific accounting policies have been identified.

### 2. Changes in Accounting Policies

There have been no changes in Accounting Policies. All policies have been applied on bases consistent with those used in previous years.

### 3. Fixed Assets and Depreciation

All fixed assets are recorded at cost less accumulated depreciation.

Depreciation of the assets has been calculated at the maximum rates permitted by the Income Tax Act 2007.

The entity has the following asset classes:

### 4. Goods and Services Tax

These financial statements have been prepared on a GST exclusive basis with the exception of Accounts Receivable and Accounts Payable.

### 5. Income Tax

Income Tax expense as the entity is a not for profit organisation.

### 6. Inventories

Inventories are recorded at the lower of cost and net realisable value.

### 7. Investments

Investments are carried at the lower of cost and net realisable value. Where in the Directors' opinion there has been a permanent reduction in the value of the investments this has been brought to account in the current period.

### 8. Leases

#### Finance Leases

Assets purchased or used pursuant to finance leases are included as fixed assets in the Statement of Financial Position and depreciated at maximum rates allowed by the Income Tax Act 2007. Finance leases, which effectively transfer to the lessee substantially all the risks and benefits incidental to ownership of the property, are capitalised at the present value of the minimum lease payments. A corresponding liability is also disclosed with lease payments being apportioned between the liability and interest payments.

#### Operating Lease

Operating leases are those which all the risks and benefits are substantially retained by the lessor. Lease payments are expensed in the periods the amounts are payable.

### 9. Accounts Receivable

Receivables are stated at their estimated realisable value. Bad debts are written off in the year in which they are identified.

# Notes to the Financial Statements

---

| Less Accumulated Depreciation | (34,519) |
| <b>Total Fixed Assets</b>     | -        |

**AUDITORS REPORT TO THE READERS OF THE FINANCIAL STATEMENTS  
OF THE SUBURBS NEW LYNN CRICKET CLUB INCORPORATED**

I have audited the financial statements set out on pages to. The financial statements provide information about the past financial performance of the Club as at 30 April 2022.

**Committee's Responsibilities.**

The Committee is responsible for the preparation of the financial statements which give a true and fair view of the financial position of the Club as at 30 April 2022 and the results of operations for the twelve months ended 30 April 2022.

**Auditors Responsibilities**

It is my responsibility to express an independent opinion on the financial statements presented by the Committee and to report my opinion to you.

**Basis of Opinion**

An audit includes examining, on a test basis, evidence relevant to the amounts and disclosures in the financial statements. It also includes assessing:

- The significant estimates and judgements made by the Committee in the preparation of the financial reports and
- Whether the accounting policies are appropriate to the Club's circumstances, consistently applied and adequately disclosed.

I conducted my audit in accordance with generally accepted auditing standards in New Zealand. I planned and performed my audit so as to obtain all the information and explanations that I considered necessary. I obtained sufficient evidence to give reasonable assurance that the financial statements are free from material misstatements, whether caused by fraud or error. In forming my opinion I also evaluated the overall adequacy of the presentation of information in the financial statements. Other than in my capacity as auditor, I have no relationship with or interest in the Club.

**Unqualified Opinion**

I have obtained all the information and explanations I have required.

In my opinion:

- Proper accounting records have been kept by the Committee as far as appears from my examination of its records and
- The financial statements comply with generally accepted accounting practice.
- The financial statements give a true and fair view of the financial position of the Club as at 30 April 2021 and the results of its operations and cash flows for the twelve months ended on that date.

My audit was completed on 12 June 2022 and my unqualified opinion is expressed as at that date.
